Response to Interview (by telephone) with Patent Examiner

February 8, 2007

In re Application of: Youti Kuo

Serial No. : 09/853,803

Filed : May 14, 2001

For : Handheld Diagnostic Device
With Renewable Biosensor

Honorable Commissioner of
Patents and Trademarks
Washington DC 20231

Sir:

This is to acknowledge that I had a phone conversation (Interview) with Patent Examiner Mr. Jonathan Foreman (Art Unit 3736) on February 2, 2007. In the conversation I stated that my correspondence dated October 28, 2004 included "the response to the office action". In the conversation, Mr. Foreman expressed that he would look into and work on the Application promptly.

Respectfully submitted,

Youti Kuo, Applicant
88 Foxbourne Road,
Penfield, NY 14526
